Professional experience

The Washington Post 2014-present

Homepage news editor

- ▶ Selects stories and writes headlines and blurbs for the national and regional homepages for desktop, mobile, and apps.
- ▶ Managed The Post's 2018 and 2020 election coverage on the homepage and apps, working with editors, designers and developers.
- ▶ Writes custom coding and works with photo, video, and graphics editors to elevate projects' presence on the homepage.
- ▶ Serves as the homepage team's liaison with the engineering team, helping to oversee the testing and rollout of new digital features.

News designer/art director

- ▶ Primarily designed Page One and projects for both print and the Web; occasionally worked on Sunday Business and Metro.
- ▶ Designed a suite of promotional material for stories, including panels for The Post's iPad app and images for sharing via social media.
- ▶ Commissioned illustrations and worked with artists to ensure their work complements the narrative.

The Boston Globe 2007-2014

Assistant Design Director/News

- ▶ Designed Page One and projects for the daily and Sunday editions. Contributed graphics and photo illustrations.
- ▶ Supervised a team of six layout editors for news and business.

News designer/copy editor

- ▶ Designed the daily and Sunday Metro front. Edited local, national, foreign, and political news.

The Florida Times-Union 2005-2007

Lead business designer/copy editor

- ▶ Designed, copy edited Monday tabloid and Sunday business sections.

Copy editor/community news designer

- ▶ Also contributed reporting, photography, and graphics.

The Jacksonville Business Journal 2003-2005

Assistant editor

- ▶ Assisted the Associate Editor in planning and editing the weekly focus sections and quarterly and annual glossy publications.

Copy editor/designer

- ▶ Also contributed graphics, photography, and reporting.
